

# Seesaw Family Invites for Block 2 2018-2019

## Teacher Instructions

### 1. **Have Each Student Add One Post to Their Journal**

Make sure each student has at least one post in their journal so families get a taste of the amazing work to come!

### 2. **Send Home Family Invites with Each Student**

Each student has their own unique invite. Make sure to send the correct invite home with the correct student. You will see each student's name above their unique QR code.

### 3. **Follow Up with Families by Email**

After a few days, remind families to connect by sending them an invite email. Choose the Invite Families button, then View Sample Email to get the template for your class.

## Frequently Asked Questions

- **What can families see?**

Families can view the work posted in their own child's journal. Families do not see the work of anyone else in the class.

- **How many family members can connect to a student?**

10 family members can connect to each student.

- **Can family members add another child to their account?**

Yes, family members can connect to up to 10 children. Families adding another child should sign in to their account, tap their profile icon, then choose +Add Child's Journal.

- **Do you have the family invites in other languages?**

Yes, from the Seesaw app or website, you can get invites in 10+ common languages.

- **Why do I need to approve some family members request to access Seesaw?**

When family members sign up with the shared class invite link, you will need to make sure they chose to connect to the correct child. Family members who sign up by scanning their child's QR code do not need to be approved because the code is unique to their child.
