Math Grade 5

Email me: somerlay@mckeelschools.com

All work below is completed during math class, math groups, and homework if not done.

This week we will begin learning about Expressions. We will review number properties, learn how to evaluate expressions using order of operations, and how to write expressions.

IXL Review from last unit (Smartscore to 80): W3-9, X4, X5

New unit IXL (Smartscore to 80): H1-6

IXL is always due on test day! IXL is assigned as it is introduced in class and should be used as practice of the skill before taking the summative. Do not wait until last minute to complete IXL's from the entire unit.

Weekly Schedule: Week of August 21-25, 2023

Checking Grades & Behavior

A screenshot of a school website interface. The top left corner features the 'McKEEL ACADEMY CENTRAL' logo. To its right is a hamburger menu icon followed by the text 'SOC STUDIES 5 > Grades/Behavior'. Below the logo is a vertical navigation menu with icons and labels: 'Account' (person icon), 'Dashboard' (gauge icon), 'Courses' (book icon), 'Calendar' (calendar icon), 'Inbox' (envelope icon), 'History' (clock icon), and 'Help' (question mark icon). The main content area shows '23-24 School Year' and a list of navigation options: 'Home', 'Modules', and 'Grades/Behavior' (which is highlighted with a vertical line). To the right of this list, there is a text prompt 'To visit the URL, click the button below.' and a blue button labeled 'Open in New Tab'. The bottom right corner of the screenshot shows a pink and white striped banner graphic.
