**I plan to improve my score by:**

- Scheduling time for a re-teach from my teacher
- Ask for and complete a re-learning sheet
- Make corrections on original assessment
- Review study guide and/or notes
- Study with another student or a parent
- Other \_\_\_\_\_

**I understand that....**

- It is my responsibility to work with my teacher on scheduling the reassessment.
- I must show that I have put effort into practicing before the reassessment.
- My teacher can change the format of the assessment. Therefore, I may not be getting the exact same assessment that I originally had.
- I cannot use reassessment as a means of avoiding to prepare for assessments.

I request the opportunity to retake this assessment. I have worked hard to increase my understanding of the tested concepts.
