

Every class is a new adventure!

Motorized LEGO® models you can only find with Bricks 4 Kidz!

After-School LEGO® Class

**STARTING OCTOBER 13
AT MCKEEL ACADEMY CENTRAL**

Motorized LEGO® Model Building Class

(Grades 3-6) In our hands-on After School LEGO® class, your Master Builder will create one-of-a-kind motorized LEGO® models designed by Bricks 4 Kidz! Students will have fun building models with themes like Jurassic Park, Space Adventures, Winter Fun, Amazing Animals, Carnival Rides, and much more! Your Master Builder will construct models such as a flying LEGO® rocket ship, LEGO® T-Rex, or LEGO® Swing-o-Rama, all out of LEGO® bricks! Can't decide which you like more? Join us for this **AWESOME** Fall After-School class and try them ALL!

**Thursdays 3:15 – 4:30 PM
10/13/2022 – 12/15/2022
Teacher: Mrs. Taylor**

**Don't miss
the FUN!!!**

For information on how to enroll, please email Mrs. Gingras at kacigingras@mckeelschools.com
