

Have you ever dreamt of being a sword-
swinging adventurer, or a swashbuckling
pirate, or even a lightsaber wielding Jedi?

Then you need to learn the sport of Fencing!

Join the McKeel Fencing Club for this
fun summer program as we learn the
principles of Olympic-Style Fencing.
Participants will train in basic footwork
and blade work, learn the rules of
competition fencing, and possibly
even a few flashy tricks to impress
their friends!
